There are many, many people who work in the travel industry. Each person has a special job that helps to make your trip happen, from the moment you start thinking about where you want to go, to when you say your goodbyes to the new friends you've made.

This coloring book shows you just a few of the types of jobs that people have in the travel industry:

- Chef
- Event Planner
- Hotel Manager
- Marketing Manager
- Pilot
- Tour Guide

There are so many others jobs, too!

*Can you think of other jobs that help people travel?*

*Is there a job you might like to do that would help people in their travels?*

## **More about Travel Unity**

Travel Unity is a 501(c)(3) nonprofit organization that helps feel welcome in the world of travel.

We help individuals, especially young people, see how travel can be a part of their lives no matter who they are and how travel can help them grow in their lives and careers. We also work with organizations in the travel industry to help them learn to be more welcoming to people of all backgrounds and abilities.
